

**MODULE 3 | SESSION 18**  
**Problems Which Can't Be Fixed**

*If you don't make the time to work on creating the life you want, you're eventually going to be forced to spend a lot of time dealing with a life you don't want. ~ Kevin Ngo*

Most problems can't be fixed, but they can be \_\_\_\_\_.

The way to avoid problems is to \_\_\_\_\_ for them.

You don't have a problem to be fixed. You have a \_\_\_\_\_ which needs to be changed.

Your direction is the best indicator of your \_\_\_\_\_.

If you change direction. Your \_\_\_\_\_ will eventually change.

If you choose the intentional path rather than accidental, two things will be very different for you.

1. \_\_\_\_\_.

2. \_\_\_\_\_.

**Fast Action Steps**

1. What does FREEDOM look like for you personally?

For your family?

For your work?

2. What specifically needs to change about your direction to reach the destination that YOU desire?

3. What is your next best step in the right direction?
