The 4 Greatest Challenges Leaders are Facing Today

Time is the most valuable thing that a man can spend. ~ Diogenes

SIMPLE LEADERSHIP COMPASS™

THE 4 GREATEST LEADERSHIP CHALLENGES

WHERE DO I START?

The Simple Leadership Compass represents the **4 Greatest Challenges Leaders Are Facing Today**. They are:

1. Developing _____ leadership skills
2. Developing the Leadership Skills of _____ around me
3. Leading from the _____ (often with poor leadership above me)
4. _____ & _____ Challenges

Every leader must consider, Where Do I Need to _____? What is my next best step.

You have identified _____ as your starting point. With this challenge, leaders often ask for direction with...

1. How can I sort through the plethora of content and information to identify the perfect _____ and _____ to develop skills, attitudes, and practices that will _____.
2. How can I _____ the content to my setting right away, so training doesn't become a routine, theoretical experience that is forgotten soon after?
3. I already spend so much time investing in _____, setting aside time to invest in myself is difficult. We'll show you how to invest in yourself without sacrificing your job or home life.

Fast Action Steps

1. What is your primary goal for developing your leadership skills more effectively?

2. If you could figure out how to invest in yourself without sacrificing your job or home life, what opportunities would that open for you?
