

MODULE 1 | SESSION 3

The Leader Worth Following - Part 1

Don't ever let somebody tell you that you can't do something. ~ Will Smith

Everyone talks about leadership development, and most leaders know it is an important part of increasing your own capacity and the capacity of you lead. Our tool, The Leader Worth Following, describes in simplest form the 3 essential attributes of a leader worth following.

The 3 Essential Attributes Of A Leader Worth Following

1. _____. What you are _____ - your relevant competence.
2. _____. Today's leaders must connect both with the _____ AND the _____ of those they lead.
3. _____. Understanding what it's like to be _____ as a leader.

When it comes to developing Knowledge, there are 2 concepts you need to be aware of to be most effective.

1. _____ or _____.
2. The _____ Time vs. The _____ Time

If you want to be a leader worth following, you will need to be Intentional about growth, about developing your knowledge, and willing to consider, Is it the right time or the wrong time for this action?

Fast Action Steps

1. List your areas of Competency, Skills, Expertise, Education, Experience (Knowledge).

2. Then, ask a close friend, family member, or colleague what they believe are your areas of Competency, Skills, Expertise, Education, Experience (Knowledge). Make a note of what they say.

3. Do you spend most of you work time in these areas of Knowledge?
